Healthcare Law

Medical Malpractice Defense

Amy Robinson is a member of the firm's healthcare and medical malpractice team. Amy is a legal nurse with strong clinical judgement who exhibits a passion for analyzing medical documentation.

A certified critical care nurse with nearly 25 years of nursing experience, Amy most recently served as a legal nurse consultant for cardiac, surgical, and critical care cases.

Amy is the founder/CEO of the non-profit organization Life4Real, a safe place to help women experiencing hardship rebuild their lives.
