ccaine@moranreevesconn.com

Connie Caine supports the litigation team on matters including toxic torts and products liability. Her expertise lies in assisting with discovery, coordinating expert witnesses, and trial preparation. She is known for her exceptional project management skills, ensuring cases are handled smoothly and deadlines are met.

In her free time she enjoys cooking, traveling, and spending time with family and friends.

EDUCATION

B.S. in Business Administration, Radford University, Radford, VA
