

CREDITORS' RIGHTS

Our lawyers regularly navigate clients through the myriad of state and federal laws.

The Business and Real Estate Group is regularly called upon to advise its business clients on creditor's rights issues, bankruptcy procedures and implications and collections activity.

Our lawyers regularly navigate clients through the myriad of state and federal laws that govern the creditor's rights landscape, including the U.S. Bankruptcy Code, the Equal Credit Opportunity Act, the Fair Debt Collections Practices Act and numerous state statutes.
